**Whitepaper V1.0**

---

who we are, what  
we bring to the  
crypto world, and  
**much much more...**

[fireworktoken.com](https://fireworktoken.com)

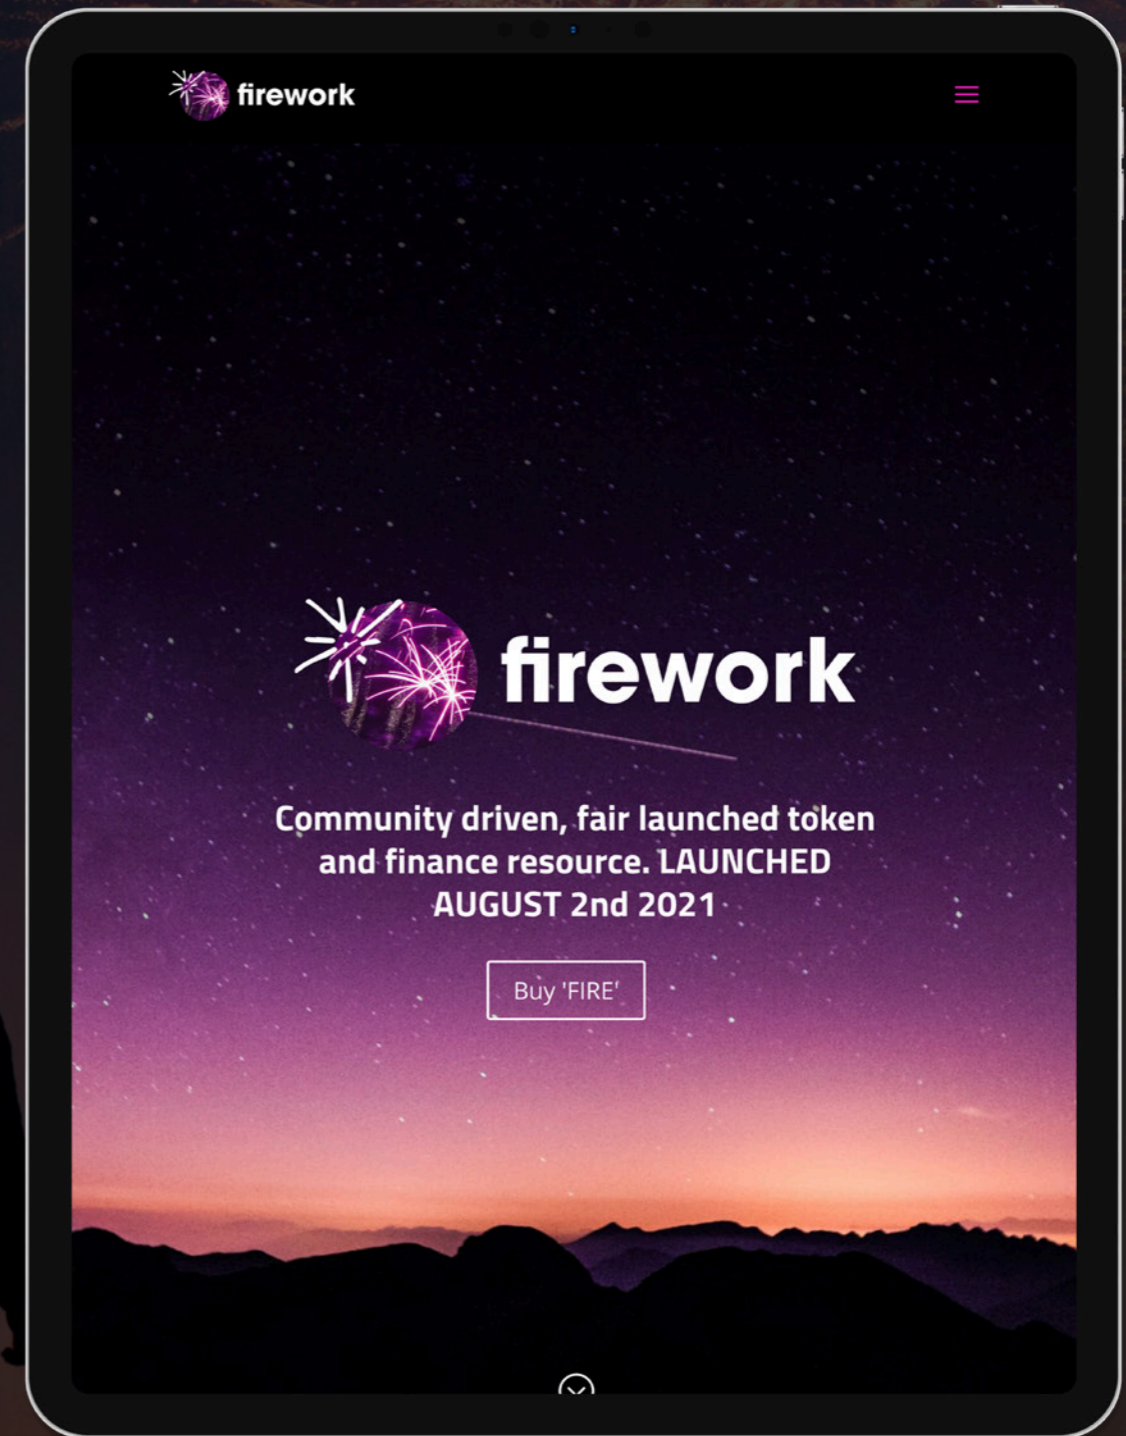

**This is the Firework Token White Paper for 2021.**

**This White Paper is an updated version of the original, now containing the current and long term plans.**

**Bookmark this White Paper and come back for the latest live updates.**

**We have many exciting things many for 2022. Don't miss out.**

# So what is **Firework** Token?

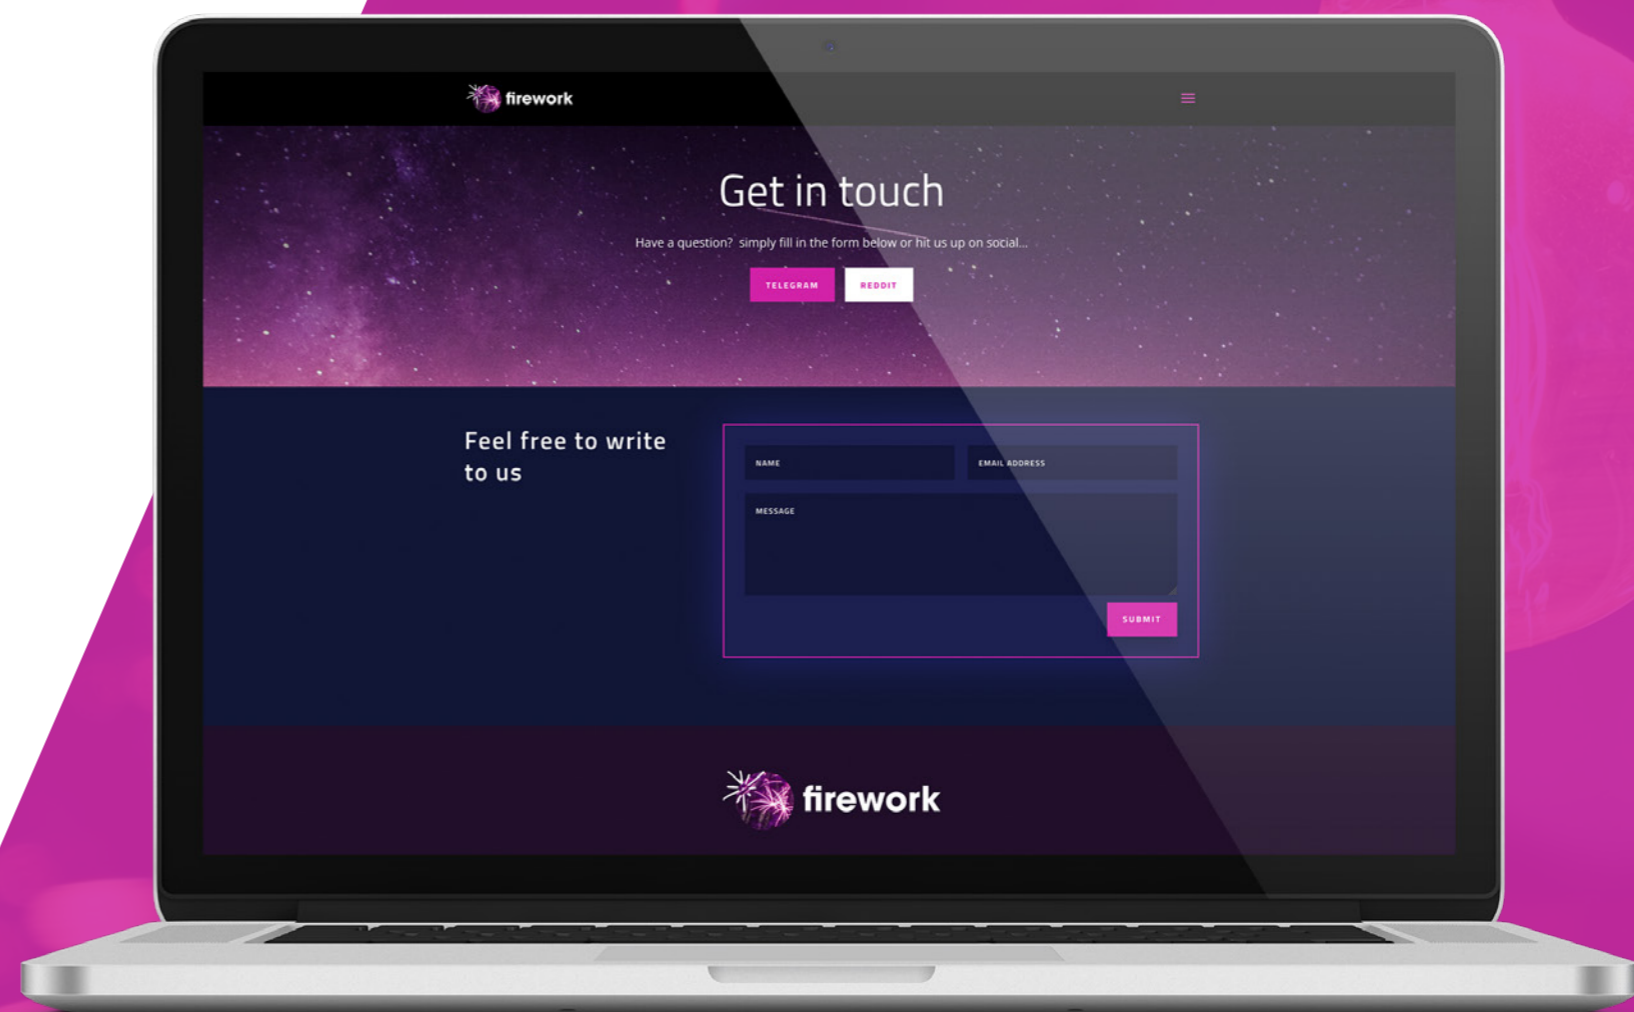

**Firework was established in July 2021 as a decentralised blockchain. Its objective is to give the new investors an opportunity to get into the crypto market with a low cost investment. Then learn and grow with us.**

The creators of Firework are very much like you. We're sharing our sparks of wisdom with you.

This is the opportunity for the Firework community to invest and spread the word. Firework Token is here to stay and now welcomes everybody who is seeking an exciting new investment in the crypto world.

We may be new but we have a whole host of exciting developments for 2022 including an new coin, games, prizes, and much much more.

Light the fuse. Invest today.

**Contact us. Say hello...**

Creation of FIREbox wallet \*\*\*\*more soon\*\*\*\*

Creation of 2023 roadmap

Growth of FIRE team

# Meet **the team**

## **Paul Gallini,** **CEO Founder**

A lifelong innovator, Paul Gallini was responsible for developing RealCredit, a telephony based credit card processing service that allowed consumers to authorize purchases using mobile phones in the late 1980s—before touch screen phones had even been invented. Working alongside Gus Giobbi in California in the early 80's gave Gallini an insight into

the workings of Silicon Valley and these experiences taught Gallini to see the big picture and get beyond the short term. Paul Gallini also worked in the City of London, where he is renowned for his ability to get things done in a crisis. They led Paul Gallini to appreciate the potential for a stable cryptocurrency in the investing field.

**Unlike other products, our tech and marketing team is fronted by real experience at the cutting edge of technology.**

## **Hugh Taylor,** **Marketing and** **Communications** **Advisor**

Hugh Taylor has more than 20 years' experience in public relations and corporate communications, including overseeing PR for a \$2 billion product line at Microsoft. In his freelance career, Hugh has written award-winning marketing

content for such clients as Microsoft, HPE, IBM, SAP, Google, and AMD. He has served in marketing executive roles at Silicon Valley startups as well as at IBM. He is the author of multiple books and countless articles on marketing as well as the relationship between business and technology. Prior to working in the tech field, Hugh was a production executive in primetime television. He received his BA and MBA from Harvard University.
